WEATHER TOOLS (STEM Spinner)

CAN YOU CREATE A WEATHER TOOL OR STRUCTURE?

You may use any materials to build with, such as LEGO, wooden blocks, mini cups, paper rolls, linking cubes, craft sticks, pipe cleaners, paper, or playdough.

Visit the link in the instructions and click the first video to spin a type of weather tool or structure.

Watch the videos about weather in the link in the instructions.

Tap in the text boxes to type your weather tool or structure and materials.

Draw of a blueprint of your weather tool or structure.

Create a weather tool or structure using your materials.

Take a picture of your weather tool or structure.

Tap inside the text box to describe your weather tool or structure.

Compatible with: Chromebooks, computers, iPads, iPhones, Android tablets, Android phones, Kindle Fire
