Look up the definition for each word in a dictionary or glossary and write it on one of the "Definition" cards. Cut out all cards and arrange facedown in an array. Flip over two cards at a time. If the word and definition match, take the pair out, and if they don't, flip them back over. Repeat until all matching pairs are found.

Flip and Study (Vocabulary)

Name: _____

Cut out the flipbook along the outside box.

Cut apart the words on the solid lines to make flaps.

Look up each word in a glossary or dictionary and write the definitions under the flaps.

Fold the flipbook in half and use the strategies on the back to help you study words.

Flip and Study!

You can ask a family member or a friend to help you!

For each word:

1. Read all words and matching definitions under the flaps.

2. Lay all flaps open so that you can only see the definitions.

3. Read each definition and try to guess the matching vocabulary word.

4. Close the flaps to check your answers.
