HOW TO USE

The following challenge cards are designed to accompany "Hashtag" building blocks, found seasonally in Target Dollar Spot.

You may choose to use the cards as a whole class, or give them as holiday gifts to your students.

To complete the challenge cards, students will only need about 30 blocks in any colors you have available. You may choose to divide tubes of hashtag blocks in half and store in baggies to accommodate all of your students.
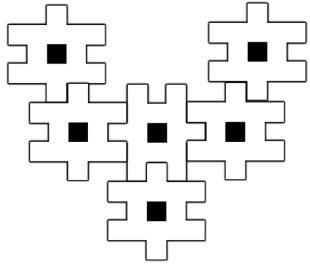

Cards can be copied on white or colored paper, cut apart, hole-punched in the top left corner, and connected with a binder ring or ribbon.
